

PROFILE

Result-driven and adaptable Java developer with a passion for delivering quality and exceeding expectations. Drawing from substantial experience in previous roles, I have cultivated an extensive knowledge base and the ability to tackle challenges in a dynamic work environment. My motivation lies in continuous growth, both professionally and personally, as well as fostering strong team cohesion.

WORK EXPERIENCE

Financial & Office coordinator, Better Shelter RHU AB

Stockholm

2020 – Present (on leave)

Primarily working in the field of finance, but in my role as an Office Coordinator, I also handle the company's IT-related matters and overall office management. Additionally, I assist with other tasks in financial reporting and outbound logistics.

Financial consultant, Finance Recruitment

Stockholm

2019 – 2020

Financial assistant on assignment at Better Shelter RHU AB. Got recruited directly by the firm in 2020.

Financial consultant, SJR

Stockholm

2018 – 2019

Financial Assistant on assignment at SOS Alarm. Responsibilities included tasks such as handling payments, account distribution, verification registration, and reviewing expenses, among others.

Financial manager, Daydream Sweden AB

Stockholm

2012 – 2018

Concluded my employment while in a leadership role, with responsibilities including customer service, recruitment, assisting with personnel management, and financial
